| <p>I was privileged to lead our students and staff in last Friday's weekly chapel service. The theme of the service that day was based on Philippians 2:1-11 and was entitled "Repentance Looks Different." We discussed how our attitudes should be the same as that of our Savior, Jesus. The attitude which Paul refers to in Philippians was one of humility. Jesus gave up a heavenly throne to be born in a barn. He gave up ruling over all things to live among us in a world where he didn't even have a bed. He set his divine power aside for us to take on our sinfulness by living a perfect life and dying a sacrificial death. Why? Why would anyone do that, let alone the King of kings and Lord of lords? The answer is very simple: Love. From all eternity God the Father loved us so much that this was his plan all along - to send his perfect Son into an imperfect world to rescue us from sin, death, and hell. And our response? It can't be said any better than Paul's words from Philippians: "That at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue acknowledge that Jesus Christ is Lord to the glory of God the Father!" This is the example that we teach our students to follow. To God be the glory!</p> | Wed., Sept. 30              | Volleyball @ WSD - 4:00 p.m.                                                                                        |
|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Thurs., Oct. 1              | Volleyball Practice - 4 - 5:15 p.m.                                                                                 |

| <p><u><b>OCTOBER SCHOOL CALENDAR</b></u><br/>The school calendar for October is coming home today. It is also posted on our website and the school bulletin board.</p> <p><u><b>Sunday school</b></u><br/>You're invited to join us for Sunday School every <b>Sunday</b> at <b>9:15 a.m.</b>, following the first service. We'd love to have you join us for a time of learning, fellowship, and growing together in faith!</p> | <p><u><b>You are invited</b></u> to join us for chapel this Friday morning at 7:30 a.m. We would love to have you join us!</p> | <p><u><b>SHORELAND OPEN HOUSE:</b></u><br/>You're invited! Join us for Shoreland's Fall open house on Monday, October 26th, 2026 from 5-7pm. Whether you're just starting to explore high school options or are ready to take the next step, there's no better way to get to know us than to visit in person! You can expect to meet our teachers and coaches, tour the campus, learn about academics, fine arts, athletics &amp; student life, and discover why Shoreland is ranked the #1 private high school in Kenosha County. Please visit the Shoreland website at <a href="http://slhs.us">slhs.us</a> to register.</p> |

# **First Lutheran Athletics**

## **Volleyball**

 We've had a fun couple of wins! Great team work!

Wed game @ WSD 4:00pm

Fri game against Faith @ home 5:30pm

## **Soccer**

 Game on Friday!

 We could use a few extra hands to help run flags on the sidelines during the game. If you're able to volunteer, please reach out.

## **ATHLETIC CALENDAR**

You can access up to date information through our Athletic Google Calendar. On our website - click on school - athletics. Or, if you already use a Google calendar on your phone or computer, you can access the information by syncing the calendar *FLS Athletics* to yours. If you have questions, please contact the office.

*Look cool and show off your school!*

Order your First Lutheran School Gear and athletic Badger logo from MyLocker.

<https://www.spiritshop.com/school/wisconsin/elkhorn/first-lutheran-school>

## **EXTRACURRICULARS**

### **PIANO**

 Lessons are on Tuesdays - don't forget your music!

 We will be using Piano Adventure books along with Disney, hymns, jazz/blues, etc. throughout the year.

 All of the students will perform at Christmas time, Spring recital in May and before or during a church service sometime between Feb-May.

 If you have any questions at all, please email, call or text.

 **Sarah Dobberstein- syakes19@gmail.com - 262-903-4158**

### **BAND/ORCHESTRA**

 Band lessons will be held on Tuesdays. Don't forget your instruments and music!

 Please feel free to contact him with any questions regarding music, instruments, lessons, or anything regarding the grade school band program via email, text, or phone.

 **Keith Wordell - wordellk@slhs.us - (612)805-3829**

## **How Can I Help My School?**

**To help with non-budgeted expenses, First Lutheran School participates in a couple of ways to raise funds:**

**Scan your receipts using the app or have it done in the office!**

**Shop with Scrip is now**

**RaiseRight™**

by ShopWithScrip

**Many cards are available in the office, you can place an order through the office or online. Please contact the office for our Enrollment code.**

Please contact the office with questions.

***Your support is appreciated!***

## Mrs. Lemke: 4K and Kindergarten

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"><li>• <u>Christ Light</u>-Students are learning about God's promise to Abraham of giving him a son, Isaac. God promised that Abraham's family would number like the stars. Students are also learning about God promising to bless Jacob, that the Savior would come from his family.</li><li>• <u>4K/5K Literacy</u>-This week we start working on targeted letters. We will start with the letter Mm. Students will learn a song about the letter Mm, make the letter Mm on chalkboards, with playdough, and on magnetic boards. They will also make an Mm with stickers, use bingo daubers, and find the letter Mm. We will continue to work on rhyming words, beginning and ending sounds, blending and segmenting compound words, counting words in a sentence, and saying the alphabet song attached to letters.</li><li>• <u>5K Literacy</u>-Students will learn about their first Super Kid-Mya. Mya likes to make art projects. Students will learn how to write the uppercase and lowercase Mm and work on beginning sounds with the letter Mm. Students will also start blending two sounds together.</li><li>• <u>Math</u>-Students are learning about positional words, counting with one to one correspondence, and covering pattern block designs.</li><li>• <u>Science/Social Studies</u>- We continue our study of our five senses. This week we are learning about our sense of smell. We will sort smells and smell jars to identify different smells.</li></ul> | <ul style="list-style-type: none"><li>• <u>Art</u>-Students are making a self portrait.</li><li>• <u>Music</u>-Students continue to learn about a steady beat. They tapped big lines to a steady beat. They also used their bodies to keep a steady beat by stomping, clapping, and tapping their knees.</li><li>• <u>Gym</u>-Students continue to learn about different types of movements by moving like different animals.</li><li>• <u>Play Centers</u>- We have new play centers for the month of October. They are: Dramatic Play-Grocery Store, STEM-balancing pumpkins, Writing-using family words to write a note or color a picture, Magnetic Board-10 Red Apples by Pat Hutchins with red apples to count, Art-painting with tempera paint cakes, Sensory Table-making an apple pie by following a recipe.</li><li>• <b>Show and Tell: Oct 11-Dinero-Favorite Thing</b></li><li>• <b>Our first field trip is on Friday, Oct 16 from 8-2pm. We are going to Royal Oak Farm in Harvard, IL.</b> We will pick apples, go on a wagon ride, go to a petting zoo, and go to the playground. We will eat lunch there, so please pack a disposable lunch. If you would like to chaperone, please email me.</li></ul> |

## Mrs. Lahmann: Grades 5-6

Christ Light: Our focus this year is the New Testament. This week's lesson is 'The Escape to Egypt' (Matthew 2).

Catechism: What does this mean? In this class, we have the opportunity to dig deeper into the true teachings of the bible. Lesson 6-'The Creation', Lesson 7-'The Creation of Man.'

### Math:

5th: Practicing the subtraction algorithm, missing addends, and a test at the end of the week.

6th: The number line: ordering and comparing, sequences, scales, and a test at the end of the week.

### Spelling: List 3

5th: Words with kn, mb, gh, st

6th: Words with ei and ie

Science: Our first lessons are introducing us to earth science...What are some of the evidences that God designed the earth uniquely to support life? According to the bible, what are the three major events that affected the way the earth looks today? How would a huge flood change the way the earth looks? We will have a test at the end of week on our first unit.

### Grammar:

5th: Complete sentence or sentence fragment? Correction of a sentence fragment.

6th: Action verbs, and capitalizing proper nouns.

World Geography: We are continuing our study of core concepts in geography with an emphasis in economics and are continuing to work on creating made up country maps.

Questions or concerns? [mrsalahmann@firstatthecross.com](mailto:mrsalahmann@firstatthecross.com), 262-573-6710

## Mrs. Kuschel

### 5% Reading - *Holes* by Louis Sachar

Students are working on how to write complete sentences that use details from the story to support their ideas.

### 5% Creative Writing

This week we added "color" to our season sentences, making sure the reader can picture it in their mind.

### 5% Art

Be sure to take a look at our Lego Self-Portraits displayed in the hallway!

### Physical Education

1-4, 5-8: Volleyball

### 7/8 Literature - *Letters from Rifka* by Karen Hesse

Rifka will be off to America soon! Students created a postcard from Rifka to her cousin, Tovah, describing her time in Antwerp, Belgium.

### 5% Creative Writing

Students are working on their Haiku that describes their favorite season.

### 7/8 Art

This week we started on a pointillism project! Please send any extra Q-tips you have to school.

Questions? Don't hesitate to reach out!

| <ul style="list-style-type: none"><li>● Our first Christ-Light study this year is “World Religions.” We will look at the major religions of our world to see how they compare with the inerrant Word of God. Our current unit is “Islam” in which we look at the fastest growing religion in the world and how we can reach out in love to those who follow these teachings.</li><li>● This week in Math we are beginning our second unit. Course 2 will explore various types of word problems. Course 3 will examine percents, decimals, adding and subtracting mixed numbers and fractions, and solving equations by inspection.</li><li>● This week in U.S. History we begin to look at the establishment of permanent colonies in the new world and how England became the dominant world influence in North America.</li></ul> | <ul style="list-style-type: none"><li>● Grammar this week in 7th grade is focusing on capitalization and irregular plural nouns. 8th grade will look at irregular plural nouns, irregular verbs, and the four principal parts of verbs.</li><li>● Spelling words for this week are from Unit 4. Final tests will be on Fridays. Lists for the entire year are available on Google Classroom.</li><li>● If you have questions or need to share information, you may contact me at 614-448-8959 or <a href="mailto:mrknittel@firstelkhorn.com">mrknittel@firstelkhorn.com</a>.</li></ul> |
